Congratulations! You're a Diners' Choice winner!

Our seasoned diners have selected your restaurant as one of their OpenTable favorites this month.

OpenTable Diners' Choice winners are selected according to real feedback from diners who booked through us and dined with you. To see what categories you've won for this month, please visit your restaurant's OpenTable profile, navigate to the "Reviews" section, and you'll see them listed under "Loved For."

These awards were designed to celebrate top-rated restaurants, giving them greater visibility on OpenTable. Diners love these lists and frequently use them to discover new places to book a table. Each month, we feature Diners' Choice winners on our website and in seasonal emails that target all of our diners.

Don't miss out on the opportunity to take advantage of the value associated with your awards! Share your win online through your social media accounts, and add your Diners' Choice Winner 2017 badge to your website by following the instructions at go.opentable.com/2017DinersChoice.html.

Here's to you and your continued success!

Cheers,

Your OpenTable Team
